252.217-7003 Changes.

As prescribed in 217.7104(a), use the following clause:

CHANGES (DEC 1991)

(a) The Contracting Officer may, at any time and without notice to the sureties, by written change order, make changes within the general scope of any job order issued under the Master Agreement in—

(1) Drawings, designs, plans, and specifications;

(2) Work itemized;

(3) Place of performance of the work;

(4) Time of commencement or completion of the work; and

(5) Any other requirement of the job order.

(b) If a change causes an increase or decrease in the cost of, or time required for, performance of the job order, whether or not changed by the order, the Contracting Officer shall make an equitable adjustment in the price or date of completion, or both, and shall modify the job order in writing.

(1) Within ten days after the Contractor receives notification of the change, the Con-

tractor shall submit to the Contracting Officer a request for price adjustment, together with a written estimate of the increased cost.

(2) The Contracting Officer may grant an extension of this period if the Contractor requests it within the ten day period.

(3) If the circumstances justify it, the Contracting Officer may accept and grant a request for equitable adjustment at any later time prior to final payment under the job order, except that the Contractor may not receive profit on a payment under a late request.

(c) If the Contractor includes in its claim the cost of property made obsolete or excess as a result of a change, the Contracting Officer shall have the right to prescribe the manner of disposition of that property.

(d) Failure to agree to any adjustment shall be a dispute within the meaning of the Disputes clause.

(e) Nothing in this clause shall excuse the Contractor from proceeding with the job order as changed.

252.217-7004 Job orders and compensation.

As prescribed in 217.7104(a), use the following clause:

JOB ORDERS AND COMPENSATION (MAY 2006)

(a) The Contracting Officer shall solicit bids or proposals and make award of job orders. The issuance of a job order signed by the Contracting Officer constitutes award. The job order shall incorporate the terms and conditions of the Master Agreement.

(b) Whenever the Contracting Officer determines that a vessel, its cargo or stores, would be endangered by delay, or whenever the Contracting Officer determines that military necessity requires that immediate work on a vessel is necessary, the Contracting Officer may issue a written order to perform that work and the Contractor hereby agrees to comply with that order and to perform work on such vessel within its capabilities.

(1) As soon as practicable after the issuance of the order, the Contracting Officer and the Contractor shall negotiate a price for the work and the Contracting Officer shall issue a job order covering the work.

(2) The Contractor shall, upon request, furnish the Contracting Officer with a breakdown of costs incurred by the Contractor and an estimate of costs expected to be incurred in the performance of the work. The Contractor shall maintain, and make available for inspection by the Contracting Officer or the Contracting Officer's representative,

records supporting the cost of performing the work.

(3) Failure of the parties to agree upon the price of the work shall constitute a dispute within the meaning of the Disputes clause of the Master Agreement. In the meantime, the Contractor shall diligently proceed to perform the work ordered.

(c)(1) If the nature of any repairs is such that their extent and probable cost cannot be ascertained readily, the Contracting Officer may issue a job order (on a sealed bid or negotiated basis) to determine the nature and extent of required repairs.

(2) Upon determination by the Contracting Officer of what work is necessary, the Contractor, if requested by the Contracting Officer, shall negotiate prices for performance of that work. The prices agreed upon shall be set forth in a modification of the job order.

(3) Failure of the parties to agree upon the price shall constitute a dispute under the Disputes clause. In the meantime, the Contractor shall diligently proceed to perform the work ordered.

(End of clause)

[75 FR 49849, Aug. 16, 2010]

252.217-7005 Inspection and manner of doing work.

As prescribed in 217.7104(a), use the following clause:

**INSPECTION AND MANNER OF DOING WORK
(JUL 2009)**

(a) The Contractor shall perform work in accordance with the job order, any drawings and specifications made a part of the job order, and any change or modification issued under the Changes clause of the Master Agreement.

(b)(1) Except as provided in paragraph (b) (2) of this clause, and unless otherwise specifically provided in the job order, all operational practices of the Contractor and all workmanship, material, equipment, and articles used in the performance of work under the Master Agreement shall be in accordance with the best commercial marine practices and the rules and requirements of the American Bureau of Shipping, the U.S. Coast Guard, and the Institute of Electrical and Electronic Engineers, in effect at the time of Contractor's submission of bid (or acceptance of the job order, if negotiated).

(2) When Navy specifications are specified in the job order, the Contractor shall follow Navy standards of material and workmanship. The solicitation shall prescribe the Navy standard whenever applicable.

(c) The Government may inspect and test all material and workmanship at any time during the Contractor's performance of the work.

(1) If, prior to delivery, the Government finds any material or workmanship is defective or not in accordance with the job order, in addition to its rights under the Guarantees clause of the Master Agreement, the Government may reject the defective or nonconforming material or workmanship and require the Contractor to correct or replace it at the Contractor's expense.

(2) If the Contractor fails to proceed promptly with the replacement or correction of the material or workmanship, the Government may replace or correct the defective or nonconforming material or workmanship and charge the Contractor the excess costs incurred.

(3) As specified in the job order, the Contractor shall provide and maintain an inspection system acceptable to the Government.

(4) The Contractor shall maintain complete records of all inspection work and shall make them available to the Government during performance of the job order and for 90 days after the completion of all work required.

(d) The Contractor shall not permit any welder to work on a vessel unless the welder is, at the time of the work, qualified to the standards established by the U.S. Coast Guard, American Bureau of Shipping, or Department of the Navy for the type of welding being performed. Qualifications of a welder shall be as specified in the job order.

(e) The Contractor shall—

(1) Exercise reasonable care to protect the vessel from fire;

(2) Maintain a reasonable system of inspection over activities taking place in the vicinity of the vessel's magazines, fuel oil tanks, or storerooms containing flammable materials;

(3) Maintain a reasonable number of hose lines ready for immediate use on the vessel at all times while the vessel is berthed alongside the Contractor's pier or in dry dock or on a marine railway;

(4) Unless otherwise provided in a job order, provide sufficient security patrols to reasonably maintain a fire watch for protection of the vessel when it is in the Contractor's custody;

(5) To the extent necessary, clean, wash, and steam out or otherwise make safe, all tanks under alteration or repair;

(6) Furnish the Contracting Officer or designated representative with a copy of the "gas-free" or "safe-for-hotwork" certificate, provided by a Marine Chemist or Coast Guard authorized person in accordance with Occupational Safety and Health Administration regulations (29 CFR 1915.14) before any hot work is done on a tank;

(7) Treat the contents of any tank as Government property in accordance with the Government Property clause; and
